

CAREERS WITH A FUTURE

## VICE-PRESIDENT FOREST PRODUCTS

Federated Co-operatives Limited, one of Western Canada's largest organizations, is seeking a motivated and passionate individual to lead its mid-sized, multi-species specialty products operation.

Located in Salmon Arm, British Columbia on the Shuswap Lake, these facilities, when fully operational, have the capability to produce in excess of 120 million square feet of plywood and 130 million board feet of lumber. The ancillary woods operation provides three quarter million cubic meters of logs.

The successful candidate will have proven senior management experience in the forestry industry, including evidence of strong leadership and managerial abilities.

To confidentially explore this opportunity, please forward your résumé and cover letter of interest to:
